### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:

Claims 1, 7-11, 13-27, 45 and 46 are allowed.

Regarding claims 1 and 18, the reference Rautila and Examiner's newly discovered reference LaPorta, after having all the limitations, fail to teach that the second part of the advertisement is received from the advertiser device by the consumer device after the consumer device has screened the first part of the advertisement.

There is no suggestion in Rautila and LaPorta to combine with any other references to teach the claimed limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
